## Academic Achievements

Association of Computer Engineers (ACE) at the University of Florida (2014 – Present)  
 Founding member of ACE and was on team of students who helped make organization an official club at the University of Florida during Fall 2014 semester. Currently hold Outreach Chair position.

## *The Predator Newspaper*

A nationally recognized award winning high school newspaper.

(2010 – 2014)

- Editor-in-Chief (2012 – 2014)  
Leveraged leadership and relationship skills to smoothly deliver newspaper publication - from pre-planning through printing stages.
- Web Master (2010 – 2014)  
Created online viewing platform for publication using Wordpress API and Adobe Dreamweaver
- Advertising Manager (2011 – 2012)  
Successfully met and exceeded personal quota each period for ad sales to local businesses. Assured success of newspaper publication by instructing over 30 students to properly sell ads and meet their ad quotas

## WORK EXPERIENCE

**Papalani Gelato**      Cashier, Barista, Social Media Specialist      Aug. 2013 – Aug. 2014  
Franchise's youngest employee, responsible for opening, operating and closing store during shift. Trained to handle Revel System POS. Created and managed social media for franchise (Twitter, Facebook, and Foursquare) to drive sales.

## VOLUNTEER EXPERIENCE

**New Tampa Little League Challenger Baseball**      (2007 – Present)  
Assisted with the creation and marketing of a baseball league dedicated to children with special needs. The program has grown to more than 70 enrolled players.

**Wharton High School Lunch Tutoring Center (LTC)**      (2012 – 2014)  
Created concept and launched free tutoring service for students struggling in core subjects. Services were delivered by honors students and included exam preparation, homework help, and college preparation. In 2013, the club was adopted by the Wharton High School chapter of the National Honor Society, where I served as Tutoring Manager of the Honor Society.
